

24 Seabright Crescent, Jingili

## THE CHEAPEST HOUSE FOR SALE IN JINGILI!

You may just regret it if you let this one slip by. A home for \$429,000 in popular Jingili would have been unheard of not too long ago. Are you searching for a home with character, which is not a typical standard ex Housing Commission house routinely built throughout the desirable older suburbs of Jingili and Alawa? Then I would strongly recommend you hurry on over and take a look at this home. It comes with quite a few classic benefits. There are polished timber floors; a family sized covered back verandah, two balconies, an impressive carport addition plus the modern convenience of split system air-conditioning in every room.

At this price, it would be hard to find a more convenient and easy location. Darwin Airport, Casuarina Square, Charles Darwin University and Casuarina Senior College are all a few minutes drive away.

Look what this property has to offer you!
