

LOOK! PRIVATELY BUILT BRICK HOUSE!

A RARE FIND IN TIWI - BE QUICK OR YOU JUST MIGHT MISS OUT! A sturdy three bedroom brick house in a very good position, close to Charles Darwin University, the Darwin Hospital and Casuarina Square. Definitely one of the great features of this home is the size of both the master and second bedrooms.

There is ample wardrobe space in each bedroom and the house is fully air-conditioned throughout, with cool, low maintenance ceramic floor tiles.

The size of the kitchen would impress most home chefs. The bathroom features a separate bath and shower recess.

Under the main roof is a lockup store room, plus you have the benefit of a garden shed. The laundry is accessed from the back verandah.

Family friendly, there is lots of lawn both back and front for the kids to run around on and the dog or if they are feeling really energetic right next door is a park and playground.

This house would have to be one of the best buys in Tiwi.

Surplus to the requirements of Defence Housing Australia
