

NEW PRICE - THE LEASE IS ENDING - DON'T MISS OUT!

Custom designed elevated homes with four bedrooms on one level are undeniably in scarce supply. This is a genuine four bedroom home and could be the very home your family has been waiting for. The huge back verandah addition is stunning. The high block constructed carport extension is impressive, you can easily store 4 cars or your prized boat. Plus there is the added bonus of downstairs, the ideal space for a teenager's bedroom, a guest room or a home office. Wanguri is a popular family orientated neighbourhood, the Wanguri Primary School is virtually around the corner and there is a very pleasant park with playground right across the road. Itâ€™s a great outlook.
